Website Ordering

Currently your stock is held and despatched from our Dunedin shop when you order online.

That stock will be on the move to Christchurch on 20th of November.

There will be a delay in despatching any orders placed after 17th of November due to the move.

Normal despatches will commence from the 27th of November.

We are extremely pleased to be able to update you on progress for our new Christchurch NZ Uniforms store, opening December 4 2017, at 455 Blenheim Road, Sockburn, Christchurch – right next door to Office Max.

The fit out is already underway on the interior. It's a huge shop – our biggest store yet - with plenty of changing rooms and space for your uniform to be presented to it's full potential.

Our team from NZU including David Bunnell, NZU CEO, will be in Christchurch from November 20 overseeing the fit out and set up of stock, equipment and staff training.

To say we are excited about this store is an understatement! We are truly looking forward to seeing you in store soon.

Best wishes from the team at NZ Uniforms.
